

## **Mine Project Engineer**

**New Gold Inc. (NGD:TSX/AMEX) [www.newgold.com](http://www.newgold.com)** is developing one of Canada's largest underground block-cave mining operations located 10 km west of Kamloops, BC and we want you to come work for us!

Our employees create a dynamic, supportive team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

We are seeking applicants for Mine Project Engineer. Reporting directly to the Manager of Technical Services this position is responsible for carrying out engineering tasks, independently or under limited supervision, in one or more of the following areas: mine planning; project engineering; project management; consultant and contractor management; and other duties as required to ensure the success of both the immediate team and the site. Project work from tender preparation to mobilization and management includes the following: raise-boring, raise-lining, pit de-watering, ventilation systems and controls, mines services and other mine related project work.

Qualified candidates possess a mine engineering degree supported by 4-6 years experience in the mining industry with a focus on underground mining, or have an equivalent combination of education and experience. Successful candidates should also be eligible for registration with the Association of Professional Engineers and Geoscientists of BC (APEGBC) as a Professional Engineer.

Experience with mining software (i.e. Mine 2-4D, PCBC, Vent Sim and/or Mine Sight), drilling and blasting, process improvement and expertise in MS Office programs are considered an asset. Preference will be given to candidates that have mechanical, civil, electrical and financial aptitude and well developed communication, leadership and organizational skills. To be successful in this role one must be a self starter, capable of working independently, using a hands on approach and the ability to be a strong team player.

We offer a competitive salary including bonus incentives and a comprehensive benefits package.

Kamloops is a city of 90,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2010-017** in your application to:
