

Journeyman Heavy Duty Mechanic

New Gold Inc. (NGD:TSX/AMEX) www.newgold.com is developing one of Canada's largest underground block-cave mining operations located 10 km west of Kamloops, BC.

Our employees create a dynamic, supportive team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

We are seeking applications for Journeyman Heavy Duty Mechanics to join our Maintenance Department. The role responsibilities will be to repair, troubleshoot, adjust, overhaul and maintain heavy-duty equipment used in our mining operations in order to support our underground development.

The successful candidate has completed Grade 12 or an equivalent, obtained a Journeyman Heavy Duty Mechanic Trade Certification, and has previous maintenance experience in an underground mining operation. Preference will be given to applicants with Heavy Duty Mechanic Red Seal Inter-Provincial Certification and previous experience working with underground mining equipment.

Qualified candidates must be able to work in a team environment and with minimal supervision on an alternating day/night shift schedule. Demonstrated leadership in safety is also essential in this role. We are seeking candidates with a strong drive to learn new skills and a willingness to take on progressively more responsibilities as they grow and develop with the company.

We offer a competitive salary including bonus incentives and a comprehensive benefits package.

Kamloops is a city of 90,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2010-018 Journeyman Heavy Duty Mechanic** in your application to:
