

Journeyman Welder

New Gold Inc. (NGD:TSX/AMEX) www.newgold.com is developing one of Canada's largest underground block-cave mining operations located 10 km west of Kamloops, BC.

Our employees create a dynamic, supportive team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

The Welder role is part of our Maintenance department and is responsible for fabricating and repairing mining and construction equipment, and reading and interpreting blueprints or welding process specifications, while working in a professional and productive manner with minimal supervision.

Qualified candidates possess Grade 12 or equivalent, a Welding Trade Certification and/or Red Seal Interprovincial Qualifications as well as prior relevant experience in underground mining or industrial construction. An equivalent combination of education and experience will also be considered.

A valid Class 5 Driver's License is required in combination with demonstrated leadership in Safety and a desire to work in a strong team environment. First Aid Training is considered an asset.

We offer a competitive salary including bonus incentives and a comprehensive benefits package.

Kamloops is a city of 90,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2010-031 Journeyman Welder** in your application to:
