

Underground Miners

New Gold Inc. (NGD:TSX/AMEX) www.newgold.com is developing one of Canada's emerging large-scale underground block-cave mining operations, the New Afton Copper-Gold Project located 10 km west of Kamloops, BC.

Our employees create a dynamic, educated team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

We are seeking applicants for a number of Underground Mining positions on our Mine Operations Team. These positions will support the mine development and be responsible for operating jumbo drills, rock bolters, long-hole drills, scooptrams, haul trucks and shotcrete equipment.

Qualified candidates have completed Grade 12 or an equivalent and have 3+ years experience working in a hard rock trackless underground mining operation. Preference will be given to applicants that have completed the Ontario Common Core Training or equivalent, have a valid BC Blasting Certificate, First Aid/Mine Rescue Training and Supervisory Training. Demonstrated leadership in safety is essential in this role. We are seeking candidates with a strong drive to learn new skills and a willingness to take on progressively more responsibilities as they grow and develop with the company.

Kamloops is a city of 80,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2009-016 Underground Miner** in your application to:
